# FreeGarden RAIN<sup>®</sup>

The FreeGarden RAIN 55 gallon rain barrel is designed with the homeowner/gardener in mind; affordable, attractive, easy to move, easy to install, and easy to use.

With as many as three bins easily fitting in the back seat of a regular sedan, the average buyer doesn't need to arrange special transport.

The barrel's square shape is ideal for attractive flush-to-wall and corner installations.

The tall spigot placement accommodates most watering cans, and four additional spigot mount points are provided lower on the barrel.

Manufactured with a maximum of recycled content (varying by color option), the FreeGarden RAIN contains enough virgin resin to ensure optimal product durability and lifespan.
